

Suggestions?

If you have any suggestions or complaints about the Two Hills & District Agricultural Society Horticulture & Creative Arts Show, we would be interested in hearing from you. Please enter your suggestion/complaint on the sheet below and bring to the suggestion box available at the exhibit building during exhibit drop off.

Any new entries you would like to see added, any entries you feel are no longer valid, fees charged, etc? Any exhibitor courses/workshops you would like us to host? We value your opinion!
